Twenty-One Seniors Receive Diplomas

Twenty-one members of the graduating class received their diplomas at the Barium Springs high school on Monday evening, May 18th. The graduating address was delivered by Dr. C. K. Brown of Davidson College. The salutatorian of the evening was Miss Pattie Carol Inman and the valedictorian was Miss Hilda Sain Donaldson.

Prizes for accomplishment in music were awarded to Phoebe Cochrane and Shirley Byrd. The Bible Medal went to Mary Helen Barnes. The Ace Medals are awarded annually in recognition of the best all around within the student body and also to some former member of the student body who embodies the Barium spirit. Voting by the members of the high

(Continued On Page Three)

Vacation Plans Now Being Made

The main topic of conversation on the campus at the moment is vacation; though it is thirty days in the future at the time of this writing, the students are all excited over their Summer plans. This year the unit plan of vacation will again be used wherein all the students leave the campus at one time and return together. The housemothers then take their vacation while the students are gone, returning in time to be present when the children come back.

The vacation date has been set beginning Thursday, July 2nd, for students to leave and Tuesday, July 21st, is the date for their return. The total

Stricklin And Horne Finish Seminary

In many graduations throughout the United States there were two in which Barium Springs took particular part. At the Union Theological Seminary in Richmond, Virginia, Paul Horne completed his three year's course of instruction and received his degree from the Seminary. Paul and his wife plan to take

Summary Of Year Reported To Board

Herewith is a brief summary of the year's report as presented to the Board of Regents in session at their annual Spring meeting:

The outstanding feature of this year and, for that matter every year has been the goodness of God in providing for the needs of the Home and in continuing His love and mercy toward those who are brought together in the big Barium family. While it is recognized that all life is under the guidance and direction of the Almighty, yet time and time and time again events and circumstances on the campus compel the recognition of God's guidance in a particular way.

It is believed that the year 1952-1953, a year of crisis, is leading forth into a good pattern of organization for the Home. With principles of procedure established, policies can be implemented in such a fashion as to bring great benefit to all. The loyalty and interest of the people of the Synod of North Carolina to the work

(Continued On Page Two)

Director of Youth Activities Chosen

The whole student body is thrilled over the announcement that Miss June Holtzendorff had been secured as Director of Youth Activities for Barium Springs. Having spent the summer of 1952 on the campus, Miss Holtzendorff has won for herself a place in the life of the big family. Some of the many needs in recreation and extra-curricular student life can now be cared for under her excellent leadership.

Miss Holtzendorff upon her graduation from college taught Physical Education for two years. After this she entered the Assembly's Training School where during her first year as a student there she directed the Recreational Activities for the student body. In her senior year she was chosen as president of the student body, the top honor of the school. She has the combined qualities of leadership both in the field of the DRE and Physical Education, together with a magnificient personality, making her services at Barium unusual. In organizing and co-ordinating the Religious and Recreational activities of the Home great and good things are in store for the student body.

Perfect Attendance Awards Made

At the commencement exercises recognition was taken of those who had not misseed a day or been tardy during the whole of the school year. Mr. William Guy, teacher in the Elementary School, presented the awards to the following children:

First Grade—
Shirley Farris
Percy Edwards
Kenneth Davis

Second Grade—
Darrell Lee Hicks
Stanley Muse
Peggy Bridges
Betty Edwards
Betty Ray Pursley
Lillie Mae Ramey

Third Grade—
Margaret Farris
Mary McEwen
Claudeth Merritt
Patricia Porter
Mary Evelyn Pursley
Mary Lettie Ramey

Fourth Grade—
John Bolton
Earl Corbett
Lacy Lentz
Faye Hicks
Robert Merritt
Nancy Joyner
Virginia Dare Lane
Sue Moore

Fifth Grade—
Alton Bass
Jimmy Blake
Douglas Byrd
Buddy Cochrane
Donald Harrison
James Kiser
Dickie McKenzie
Buddy Lane
Lillian Baucom
Nancy Farris
Carol Moore
Barbara Stilwell
Graham Blake

Dentist Arrives For Summer Work

Dr. Dwight Price, senior dental student from Chapel Hill, has begun his work on the campus under the direction of the supervising committee of dentists. Through the Summer months of grinding, Dr. Price hopes to fill some of the 1755 cavities in the teeth of the children and to give medical care and attention to any emergencies that may arise during the Summer.

This dental program is the outgrowth of the interest of the Presbyterian dentists who have planned for it and are continuing to supervise it. The steering committee made up of Dr. Ralph Coffey of Morgan-

Summary Of Year

(Continued From Page One)

of this place continues to be an inspiration. Though some had feared the adverse reaction of the people would materially affect the financial support, fortunately the contrary is true, and this appears to be by far the best financial year in the history of the institution. The auditors report will show just about an even break for the year's operation.

Administration

The staff in the business office has been diligent in its effort to analyze and clarify the accounts and correspondence so as to give a full and exact picture of all accounts and transactions. Bonds held and undesignated funds have been separated and interest properly applied so that each account is intact as a separate unit. A system has been instituted which meets the requirements for affording each payee a record of his payroll transaction. The weekly payroll in cash has been discontinued and is now paid by check. Daily deposits are made and the cash accounts on hand have been reduced to a small amount of petty cash sufficient only for the making of change and the like. The auditor's report and comment will be the best evaluation of the office procedure.

Household

The number on the staff has been increased slightly, thus in part relieving the pressure on the group. There are still additional members needed on the staff and it is hoped that they can be secured during the coming year. The average number of students for the three years preceeding this one has been about 276 whereas the average this year has been about 250. There are two factors which account for this smaller number. The staff was unanimous in the recommendation that eighth-grade boys and girls be retained in the building where the children of intermediate age live, thus discontinuing the practnce of havthese younger ones live with the high school group. This meant that the general moveup was reduced by twenty to twenty-five boys and girls. The second factor is that the Board directed the superintendent to move toward the number in each cottage that might in a measure be adequately served by the staff. While it has been impossible to do that which would be desirable, yet the number has not exceeded 26 in any one of the smaller cottages and in most instances it has been kept to 21 or 22 for each housemother. A few more students of high school age might have been taken had there been applications for those of this age group, but the buildings for the smaller children have been crowded again this year.

Health

Some of the boys have reached the age where Uncle Sam extends invitations and find themselves to be "disgustingly healthy". The general state of health of the student body is good. The annual general physical check-up was made with the recommendations of the doctors being carried out. Dr. Davis, his staff and hospital have rendered their excellent service again to the boys and girls of the Home. Dr. Thomas R. Griffin of Troutman has been on call for the student body, and Miss Nancy Hoots, registered nurse in charge of the Infirmary, has tried to meet the needs of the boys and girls. The special feature has been the dental program. Under the direction of the committee from the Dental Society of Statesville, Dr. Ralph Coffey of Morganton initiated a plan of inviting Presbyterian dentists in to operate in a room which was equipped for dental practice in the Infirmary. Every student has had a careful screening and neighboring dentists have been giving their day off to the Home and, not only that, but bringing their nurses along to assist in the work. The Board will, I am sure, want to take some special recognition of these men and will authorize the program which they recommend for the Summer.

School

Principal R. G. Calhoun reports a good year in the school. A full corps of teachers has rendered excellent service. The Glee Club with forty members has done outstanding work. The Beta Club has been very active, and a satisfactory year in athletics has been concluded. There are twenty-one boys and girls in the senior class, eleven boys and ten girls. A granddaughter of the Home is the valedictorian this year.

Farm, Dairy and Garden

Mr. J. F. Stinson, supervisor of the farm and gardens, said in the Fall that the farm was in the best shape it had been in five years. He and his crew of men and boys have been very busy in maintaining 600 acres under cultivation. About 90 acres of this is permanent pasture.

Some analysis has been made of the cost of operation but no definite decisions have been reached. It would be wise to do cost accounting for a year or so to determine the exact relationship of the farm to the Home in its productive ability as against the cost of operation, including operation and capital outlay. A general summary is herewith given which includes the greater portion of the farm excepting the chickens and eggs. In this department of poultry much more satisfaction is being realized and the deficit is being decreased in this operation so that we no longer see "red."

The summary of production includes: 2500 bushels of corn, 843 bushels of wheat, 1466 bushels of oats, 1643 bushels of barley, 240 bushels of Irish potatoes, 740 bushels of sweet potatoes, 69 tons of silage corn, 240 tons of alfalfa hay, 18000 pounds of lespedeza seed, 2,200 bales of straw. Seventy-four hogs weighing approximately 24,000 pounds were killed.

The gardens produced vegetables such as onions, beans, peas, tomatoes, beets, cabbage, corn, okra, cantaloupes, turnips, and turnip greens.

Last year was a good year for fruit with both the apple and peach trees bearing well. The orchard man, Woodrow Clendenin, deports 5,000 bushels of apples and 900 bushels of peaches. The 800 apple trees include the Stayman and Red Winesap, Red Delicious, Black Twig, and Grimes Golden. The 700 peach trees include varieties of Elberta, Golden Jubilee, J. H. Hale, Dixie Gem, and the Georgia Belle. Something over 3,000 No. 10 cans were filled with green beans, apple sauce, blackberry jam, peaches, apple and peach butter, etc. There were 100 new peach trees set out and 20 old apple trees were replaced with new ones.

Dairy

The dairy has been a difficult story for we have been moving through the whole year under the supervision of the Health Department in an attempt to clear the herd of Bangs disease. Some reactors and some suspects have been spotted through the year. At the present time it is anticipated that a clean bill of health will be given to the herd within the next few months. This will then necessitate the consideration of erecting a Pasteurizing Unit in connection with the dairy or deciding to permanently purchase milk for the use of the Home from some other dairy. An excellent dairyman has been secured, Mr. Arthur Hanks, who has had considerable experience with beef herds, milk production and meat cutting. He and Mrs. Hanks and one daughter are now living on the campus and are making a real place for themselves in the life of the institution.

Plant Operation and Maintenance

There is general satisfaction in the installation of the new steam line now that the ditches are refilled and the line is in operation. Housemothers and students alike will receive extra reward for their patience in wading through the mud and enduring it in the houses during the Winter. The general upkeep of the campus has been maintained at a low ebb. Nearly all of the buildings are old and have been remodeled and repaired to the extent that they are almost beyond further consideration. The campus itself has suffered from erosion but is being slowly reclaimed by the growth of grass and it is hoped that through the laying of roads and walks the problem of erosion may be conquered.

The Health Department gives us a good sanitary rating on the buildings which are occupied; however, the Department is highly displeased with the swimming pool and may eventually require that we discontinue using it. The State engineer is requiring that we double the tank capacity of our sewage disposal system and make other necessary repairs to this installation. The new cottages to be built will serve for the student body but there is a great need for some additional dwellings to be built to house the persons necessary to the operation of the Home. It is hoped that the Board will look with favor upon making investments in this manner at an early date. One of the dire needs of the institution is a cold storage plant. The freezer locker in Statesville is now used. A real savings in food and expense could be effected if a satisfactory unit for dry storage, chilling room, and deep freeze could be erected on the campus.

An interesting item in the installation of the new steam line was the discontinuing of the gas unit which had been necessary in the dining hall for steam purposes. This one savings alone will pay for the total installation of the steam line within the life of the new line. In addition to this, the separate heating unit at the Quads has been discontinued and also the separate unit at the Grier home. Even then, the amount of coal burned during the Winter with the full load was practically the same as that burned at the central heating plant in former years.

Christian Education

It is with genuine pleasure that we announce the coming of Miss June Holtzendorff as Director of Youth Activities. Miss Holtzendorff, a college graduate, taught physical Education for two years in college before going to the Assembly's Training School. While in the Training School she directed the Recreational Program there. Last Summer she spent three months with us on the campus at Barium. She joins the staff in June after her senior year at ATS where she served as president of the student body. With her leadership, together with whatever plans are devised by the Board for the intensifying of the Religious Program on the campus, the years before us bid to hold a more adequate and satisfactory program of Religious Nurture on the campus.

Conclusion

The many hardships and difficulties faced by students and adults alike on the campus at Barium Springs have taken their toll on mind and body. However, it is the consensus that the year has been good and that the years which lie before us shall be better as the work which the Synod so deeply cherishes is carried on in this place. The superintendent would express his gratitude to the members of the Board who have been patient and understanding and would earnestly elicit from them their full and frank criticism upon him and the program of the Home, and he would again pledge himself to serve the governing Board and the Synod to the best of his ability in carrying out the policies and the principles defined.

Honor Roll For Six

(Continued From Page One)

Judy Bolton, Merle Byrd, Kay Clark, Judy Clendenin, Edna Mae Moose, Brenda Pursley.

Seventh—Elmer Cox, Charles Ward, Melvin McKenzie, Deanna Kiser, Shelby McEwen, Peggy Sellers, Sylvia Wells, Janet Woodall.

Ninth—Charles Creech.

Tenth—Edna Baucom, Betty Blackburn, Ruby Clark, Phoebe Cochrane, Mirton Cox, Lois Dellinger, Annie Leigh Frazier, Martha Nell Hall,

(Continued On Page Two)

Linda Inman, Beth Jackins Betty Lou Johnson, Joyce Kelly, Barbara McCall, Mary Emma McClure, Lucy Troutman.

Eleventh—Ennis Blackburn, David Morrison, Betty Ann Andrews, Carol Jean Andrews, Louise Bradshaw, Elizabeth Woodall.

Twelfth—Charles Hall, Robert Lee Hall, Jerry Hudgins, Jimmy Johnson, Albert Williams, Jerry Williams, Mary Helen Barnes, Helen Baucom, Hilda Donaldson, Shirley Porter, Jackie Porterfield, Rae Powell, Dorothy Surles, Gloria Williams.

ALUMNI NEWS

—Mrs. Glenn Moore (Alice Ford) of Canton spent the week-end at Barium

—Billy McAllister is working at Montreat for a few weeks, then he will go to Ft. Benning for R. O. T. C. training.

—Paul Horne graduated from Union Seminary in Richmond in May. He has taken work in Fayetteville Presbytery.

—Ernest Stricklin graduated from Louisville Seminary and is Minister at the First Presbyterian Church, New Albany, Ind.

—Billy Black graduated from A. L. Brown High School in Kannapolis, June 2.

—Sanford Willard graduated from the Yadkinville High School May 30th.

—Betty Joe and James Reid were visitors on the campus recently.

—Dewey Barnhill, graduate student at Carolina had an article in the N. C. E. in May.

—Mack Wicker, who is at Camp Lejune, spent the week-end at Barium.

—Bobby Whiting, stationed at Ft. Bragg, was a visitor on the campus.

—Carl Spicer, Billy Black, Charles Barrett were week-end visitors.

—Dwight Reid who is in the Navy and stationed on a ship in Norfolk was a visitor at commencement.

—Wilbert Frazier, recent graduate, is working for the Bell Telephone Company and is in Raleigh at the present.

—Jeanne Steppe, student at Flora Macdonald College made a visit to Barium recently.

—Born to Mr. and Mrs. Donnie Bolton of Troutman, on May 15th, a son, Dean Sherrill.

—Midshipman Dwight Spencer graduated at Annapolis Naval Academy on June 5th and was married that evening to Joan L. Cupit, in the Naval Academy Chapel.

Vacation Plans Now

(Continued From Page One)

number to be left on the campus including adults will be less than two dozen and plans will be made for some special treats for those who remain on the campus.

The July date was chosen because it is absolutely necessary for the student body to participate in the work of the Home in harvesting and tending the gardens in the weeks immediately following school through June. The last week in July and the first week in August brings in the peaches and it is necessary that the boys and girls be here for the gathering and canning and storing of fruit. Football practice begins the middle of August and school opens on August 27th. Thus the first three weeks in July have become the regular time for vacations for the students of the Home.

Twenty-One Seniors

(Continued From Page One)

school faculty and staff resulted in the election of Mary Helen Barnes as the student recipient. The committee selected William T. Warlick, a merchant of Statesville, who, embodying the Barium spirit, has brought honor to the institution, to his community, and to the church, to receive the Alumni Ace Medal.

A copy of the Word of God was placed in the hands of each member of the graduating class along with the diploma, and the recessional sent forth the students to continue their pursuit of knowledge and to begin to render their service to their state and nation and to the Kingdom of God.

Prizes to students showing the most improvement during the year were as follows:

Lacy Lentz, fourth grade; Alton Bass, fifth grade; Joe Ramsey, sixth grade; Peyton Miller, seventh grade; Shirley Hall, eighth grade; Ernest Austin, ninth grade; Ruby Clark, tenth grade; Calvin Burleson, eleventh grade; and Jimmy Johnson, twelfth grade.

Following is the program of the graduating exercises:

Processional - Pomp and Circumstance ..... Elgar
Invocation .... Rev. C. H. Sides
Salutatory ..... Pattie Inman
Presentation of Perfect Attendance Certificates .... Mr. W. L. Guy
Presentation of Elementary Certificates .. Mrs. Ruth T. Clark
Introduction of Speaker .. Rev. A. B. McClure
Commencement Address - Dr. C. K. Brown, Davidson College
Presentation of Bibles - Rev. C. H. Sides
Awarding of Medals and Prizes - Rev. A. B. McClure
Presentation of Diplomas - Mr. R. G. Calhoun
Valedictory - Hilda Donaldson
Alma Mater
Benediction
Recessional - Priests' March - Mendelssohn

Marshals were: Ennis Blackburn, chief, David Morrison, Carol Jean Andrews, Neil Shaw, Louise Bradshaw.

Nancy Spencer was Mascot.

Dentist Arrives

(Continued From Page One)

ton, Dr. Frank Kirk from Calisbury, and Dr. Sam Steelman from Lincolnton, will be in close touch with the work that is being done and will assist through the work of their offices in seeing that the boys and girls have a good Summer's work done on their teeth.

Dr. Price before entering the School of Dentistry had received a degree in Music and had directed a high school band and choruses and Church choirs. When this news leaked out on the campus the Church choir immediately began their plans to secure the leadership of Dr. Price for the choir direction for the Summer. The student body is hoping that instead of Dr. Price going from Barium to visit Mrs. Price in Durham, she will visit him on the campus and that we may often have the opportunity of having her as a guest in the Home.

Stricklin And Horne

(Continued From Page One)

a little vacation and then take up their first pastorate in Fayetteville Presbytery about the middle of the Summer.

At the Presbyterian Seminary in Louisville, Kentucky, Ernest Stricklin graduated, having completed successfully his three years' course there. Ernest and his wife are already located in the manse at New Albany, Indiana, where Ernest was ordained and installed last year before he had completed his work at the Seminary.

Both of these students after having been at Barium, completed their college work at Davidson. Ernest made an excellent record in his athletic endeavors there and Paul was requested upon his graduation to continue on the Davidson Campus to operate the Student Store, which he did.

These two men join the ranks of full-time Christian service in the Church. Both are capable leaders and good things are predicted for them in their field of service.

Twelfth— Jimmy Johnson, Albert Williams, Jerry Williams, Mary Helen Barnes, Helen Baucom, Hilda Donaldson, Jackie Porterfield, Rae Powell, Dorothy Surles, Gloria Williams.

New Workers For Summer Staff

June first brought to the campus two Assembly Training School students for Summer work. Miss Betty Brunskill who hails from Florida, and Miss Marjorie Felder who at present lives in Indiana, have finished their first year at the Training School and are doing field work for the Summer. Their particular interest in children led them to the work at Barium, continuing the policy of former years of using ATS students as Summer relief housemothers and helpers in the Sunday School and Bible School program.
